Gary, EPA's team will be on the 8:45 am flight from SFO arriving in Honolulu at noon tomorrow. OSC Bret Moxley (415-971-7720) will be accompanied by RCRA Engineer Stephen Tyahla and Terrence Johnson, a hydrologist and hydrogeologist from EPA's Environmental Response Team in Las Vegas. They will join State OSC Terry Corpus for a field visit at the Waimanalo Landfill Site.

The team will join up with Wendy Wiltse, contact Mike Tsuji, and coordinate with the Coast Guard. I'm sure that Terry will keep you up to date and I'll send you what we learn as well.

It is great to have you back!

Keith
